Commissioner for Patents

Dear Sir:

Certificate

JUN 28 2004

of Correction

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent. The mistakes are apparently due to Patent Office printing errors.

- (1) Column 17, line 3 of the issued patent, delete "die cores" and insert therefor --the pores--.  
The correct form appears in the amendment filed December 11, 2003 at page 4, line 26.
- (2) Column 17, line 18 of the issued patent, delete "cater" and insert therefore --carrier--. The correct form appears in the specification at page 20, line 12.
- (3) Column 17, line 25 of the issued patent, delete "cater" and insert therefore --carrier--. The correct form appears in the specification at page 20, line 21.
- (4) Column 17, line 33 of the issued patent, delete "cater" and insert therefore --carrier--. The correct form appears in the specification at page 20, line 28.
- (5) Column 18, line 11 of the issued patent, delete "cater" and insert therefore --carrier--. The correct form appears in the specification at page 20, line 36.
- (6) Column 18, line 30 of the issued patent, delete "pares" and insert therefore --pores--. The correct form appears in the specification at page 21, line 10.

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,

C. Brant Cook
